The AOL Scholarship Competition is a \$6,000 scholarship, \$1,500 awarded annually (if student qualifies and is approved by the Scholarship committee) to Oregon high school seniors or current college students who intend to pursue a **four-year college or university education and a career in a forest resource reproduction field of study**. Field of study examples: Forest Management, Forest Engineering and Forest Products

### Each candidate must submit:

- The AOL Scholarship Application Form
- An original essay on “**What challenges do you see in the field of logging and what are your views on meeting the challenges**” not to exceed three pages, handwritten or typed.
- High school transcripts

- Letter of Acceptance to 4 Year College – The college must be accredited by the Society of American Foresters, [www.safnet.org/education/recognition.cfm](http://www.safnet.org/education/recognition.cfm).
